Christmas Live In Me

Last year, a week or so before Christmas, I was awakened by a rhythmic tapping on my back. It had a calming effect and I quickly drifted back to sleep knowing Kimball was either dreaming or a song was on his mind. Soon after he had slipped out of the bed to his study, I saw the light under his door. I began to hear him strumming softly on his guitar, then a tinkling on the piano and finally singing words that started with 'Christmas live in me.' Often a melody will come to him and words seem to flow with it. This was much like a lullaby that lulled me back to sleep. It wasn't Santa's workshop but he was creating a Christmas gift for our family. He finished it on Christmas Eve and sang it for us during our family advent service. Tears filled our eyes and a warm feeling came over us, for we knew it was a gift of love from his heart.

1) Christmas live in me
Be the breath I breathe
Give me a reason for being
I want a faith to believe

(Chorus)

When it lives, there's love
When it lives, there's hope
When it lives, there's joy to the world
So live, live in me

2) I'm seeking that silent night
That star in the sky to see
I'm looking for a new life
Christmas live in me

3) Hearing that baby's cry
The gift from God to be
Someone who lives for others
Christmas live in me

Love, hope and joy come to our world through people like you who understand what it means to be the Church, giving to and living for others. Christmas lives in you and God's Kingdom comes.

Pam and I wish all of you, the people we love and admire for your discipleship and churchmanship, a merry and blessed Christmas.

'Tis the gift to be simple, tis a gift to be true'

These are the gifts that touch our lives. The simple sharing of your stories at Christmas time ~ the giving of alternative gifts that connect us with those who have so little ~ the second mile gifts beyond those to your church, humbles us. We are lovingly blessed. May you, too, feel the blessings of God.

*A Heartfelt Thank You,
Kimball and Pam*
