Winter ~ Issue 174

I Am Deeply Honored

I love my wife in a romantic way. I love my children in a fatherly way. I love you in a humbled servant way. God called me to be a servant evangelist and you have sustained me in this Calling. You have prayed for me. You have supported me financially. You have believed in me and shared that belief with others by inviting me to your churches.

Yes, God started it all, reaching out to me and taking me by the hand. But with the other hand, I began to feel your hands and knew that I was not alone. Now for thirty six years you have walked and served with me giving me confidence, courage and a renewed commitment to keep on keeping on.

I am deeply honored to call you friends and fellow servants of the Lord. I wish for you and your family a Blessed and Merry Christmas. I love you all more than you can imagine.
